

**FORT RECOVERY HIGH SCHOOL**  
**STUDENT DRIVING REGISTRATION**

Students are permitted to drive their cars to school if authorized by their parents and the high school principal. In cases where driving is necessary and permission is given, there are some responsibilities the parents and student must assume.

- (1) Vehicle must be parked in South or East Parking Lots in proper order upon arrival. No "on the street" parking will be allowed.
- (2) Vehicle must remain parked in the lot throughout the day until the end of the school day unless the student has early dismissal or permission from the principal.
- (3) There shall be **NO** use of vehicles during the lunch hour or during the school day without permission from the principal and parent.
- (4) Students must use this form to register **all** vehicles that they may drive to school.
- (5) Students will be required to obtain and display a parking window cling for safety/security purposes.
- (6) Cost of sticker is \$1.00 per year and good for your HS career (replacements \$1).
- (7) Permission to drive to school may be revoked at any time by the parent or by the principal if driving regulations are violated.
