Other district testing

Elementary:

Aimsweb testing in reading, math and writing-benchmark all elementary students 3x's a year and provide interventions if needed

KRA-Kindergarten readiness assessment-given to all Kindergarteners, required by the state to measure their progress in reading, math, science, social studies and social (observations by teacher)

Cogat-an IQ test given to all 2nd grade students in the fall. Students who receive a score of 120 or higher are referred for additional testing to identify if they have gifted ability areas.

Terra Nova-additional testing if students scored a 120 or higher on the Cogat. Measures specific areas of reading and math. The Terra Nova is also an alternate reading assessment used for the 3rd grade reading guarantee. If 3rd grade students do not pass the reading score on the AIR state assessment, they can take this as an alternate reading test for the guarantee to move onto 4th grade.
