Fort Recovery FFA Agricultural Olympics

FORT RECOVERY, OH - The Fort Recovery FFA Chapter celebrated National FFA Week February 20th-23rd with a number of activities and events to build awareness of Agriculture Education. National FFA Week is held each year during the week of George Washington's birthday to recognize his leadership and commitment to American agriculture.

To end FFA week strong, the chapter held the Agricultural Olympics. The Agricultural Olympics was held as a high school assembly in which high school students competed against one another in events promoting agriculture. These events included a milk chug, pony obstacle course, pedal tractor race, apple bobbing, pin the tail on the donkey, human table and turn style chairs.

FFA week was a huge success. Thank you to all members who participated!
