

Fort Recovery Local Schools February 5, 2024

The Fort Recovery Local School District will be closed on Monday, April 8, 2024 due to the total solar eclipse. This day will be a calamity day for the district. All of the district's buildings and facilities will be closed that day as well. This includes all athletic facilities and practices. Any athletic contests that day will be rescheduled. We encourage families to prepare for this once in a lifetime event by visiting www.eclipse.ohio.gov for more information. Additionally, families are encouraged to **obtain free solar eclipse glasses** from any of Mercer County's seven public libraries located in Celina, Chickasaw, Coldwater, Ft. Recovery, Mendon, Rockford, and St. Henry. All seven libraries will be holding a drive-thru pickup event on Saturday March 2nd, 9am to Noon, outside of each library. After March 2nd, glasses will be distributed at the circulation desk of any of the libraries. More information about solar eclipse glasses distribution can be found at MercerLibrary.org/eclipse or by calling 419-586-4442.

Thank you,
Tony Stahl
Superintendent
