

The Ft. Recovery Education Association is proud to award scholarships to our graduating seniors!

Fort Recovery Education Association (FREA)

The Fort Recovery Education Association is open to all certified personnel who are employed on a regular full or part-time basis by the Fort Recovery Board of Education, except administrators or administrative assistants.

The purpose of the organization is to encourage all teachers to participate actively in the solution of school problems and maintain high standards of professional ethics as prescribed by the Ohio Education Association and the National Education Association.

We work to foster better communication and understanding within the school system, the Board of Education, and the community and encourage all teachers to continue professional growth and membership in the United Teaching Profession.

We act as a representative body to present the opinion of the majority of the membership and to present their individual and common interests before the board of Education and other legal authorities.

Fort Recovery Education Association holds an annual chili supper before a basketball game to help raise money to give scholarships. This money, along with donations from staff members, has enabled us to help many graduating Fort Recovery seniors.

Students should keep this cover page for their reference.
