2. Be sure to download the application before adding your information/printing.
3. Students are asked to provide financial information in the first section. We realize that many students are not eligible for Federal grants or loans, thus making their need for scholarships even greater, so it is to your advantage to complete all blanks.

 - o *Students may be asked to verify the financial information they provide.*

 - o *Please note that spell-check may not work in the text boxes.*
 - o *Page 3...*
 - *Essay must be TYPED in the provided space*

 - o **Paperclip** all pages together (do not staple)
