SCHOOL

Fort Site Journal

January 2023

What is involved with a school safety reunification?

One of the most critical aspects of a school emergency response is a responsible reunification of our students with a parent or guardian in the event of a school crisis or emergency. Our school district has initiated steps to improve our school safety readiness in this area.

During the last teacher professional development day on November 28, the Fort Recovery Local School District conducted a pre-planned evacuation and reunification drill. Teachers and law enforcement officials were participants in this functional exercise. The scope of the exercise was limited to the evacuation and reunification of approximately 20 children of FRLS staff members. The drill started with an evacuation of the building due to a simulated gas leak south of the Elementary/ Middle School Building. The participating students and the majority of the staff were transported to the high school via school bus. Upon their arrival, the staff set up a Family Information Center and Reunification Location (FICAR). The parents of the participating students were then alerted about the simulated evacuation with directions on where to pick up their children. The drill was helpful as we attempt to continuously improve our readiness for a variety of safety situations and preparedness measures.

Tips for Parents and Guardians to prepare for a real reunification situation:

1. Be prepared to have a photo ID ready when picking up your children. There are multiple safety measures involved in a reunification and the staff members will be verifying your identity.
2. Have a backup for receiving notification of reunification details. The district has multiple indoor and outdoor reunification sites based on the emergency and reunification information will be disseminated through local media, social media platforms, One Call Now and other direct communication methods. Site-specific considerations will impact how these practices can be integrated into school safety plans.
3. Understand that this reunification process is not simple and therefore, all parents and guardians need to be aware that accuracy and accountability are much more important than the speed of the reunification.

The district appreciates the specialized guidance and the cooperative work of the Fort Recovery Police Department as we continue to train, practice and exercise our safety protocols.

FROM THE PRINCIPAL'S DESK

Upcoming High School Events

Jan 19 - Tri-Star Applications Due

Jan. 30 & 31 - 2023-24 Course Registration Presentations

Feb. 6 - College Credit Plus Meeting at 7pm

Feb. 11 - ACT Test, Solo & Ensemble Concert

Feb. 17 - No School, Professional Development for teachers

Feb. 20 - No School

March 2 & 3 - Career Connections Event

March 5 - Cabaret Concert at 6pm

March 14 - ACT Test for Juniors, Parent Teacher Conferences

March 16 - End of 3rd Quarter

March 17 - No School

Welcome back! I hope you and your family were able to enjoy the holidays! I am excited to get back into the swing of things as there is still much to accomplish as we begin the second half of our school year. January brings several planning events for next school year. Tri Star applications are due Jan. 19th and all students will receive scheduling presentations and course registration materials for the 2023-24 school year at the end of this month. As we begin this process, please review these materials carefully and contact the high school office with any questions or concerns.

Testing Date Reminder

As we enter the second semester, we'd like to remind students and parents that we will have several important upcoming test dates for students. These include the ACT (March 14) for junior students as well as several end of course tests (April 13, 14, 20, 21, 27, & 28) for mostly freshmen and sophomores. These dates are important and the tests will count toward each student's potential graduation pathways. We kindly ask that parents try to limit student absences these days. We understand that it is not always possible but we ask that you limit scheduled appointments, vacations, etc. for these days.

OHSAA Reminder - Sporting Behavior

As we continue with the winter sports season, the OHSAA reminds everyone that we all need to work together to ensure everyone is displaying proper and appropriate sporting behavior at all times during contests and scrimmages. Winning is everyone's goal, but it is not our purpose in interscholastic athletics. Research says that the No. 1 goal of our students participating in our programs is to have fun and be around their friends and teammates. So let's remember this and understand that our programs not only afford our student-athletes the lifelong memories of playing together, but they also help prepare them for the next level of life. Thank you for your help and assistance with making our athletic contests fun, positive events for everyone involved including student-athletes, visitors, and officials.

Go Indians,

Sunday testing is also available at Celina on most dates

FRHS Juniors will attend the Auglaize-Mercer Career Connections Event on March 1 at WSU-Lake Campus

WHAT IS CAREER CONNECTIONS?

Career Connections is an event where students will meet with local professionals to explore and discuss local opportunities in their selected career fields. Students will have the time to speak with professionals in a small group setting, allowing them to build relationships that might lead to employment, internships, mentorships or job-shadow opportunities.

FFA Members attend Leadership Night in Coldwater

29 members attended Leadership night at Coldwater, Ohio. They got to meet a state officer and participate in fun activities with other local FFA chapters. Together they learned communication and problem-solving skills.

FFA Members attend County-wide Square Dance

12 members attended a countywide square dance in Celina, Ohio. These members learned valuable skills such as communications skills. Members also got to meet up with members from other FFA Chapters. Together, members learned valuable skills while having fun.

Fort Recovery FFA Chapter Fruit Sales

Fort Recovery FFA Chapter received fruit Monday, December 5. Members worked together to bag and deliver fruit. Thank you to all members to helped load cars! Most importantly thank you to all who supported the FFA chapter!

Fort Recovery FFA Members Attend the 94th National FFA Convention

Eighteen members of the Fort Recovery FFA Chapter attended the 95th National FFA Convention in Indianapolis, Indiana the week of October 25-28, 2022. Over 60,000 FFA members representing all 50 states were in attendance. The National FFA Convention is held annually to highlight and award member success through the FFA and agricultural education. Those in attendance were the best and the brightest young minds in the field of agriculture.

The Fort Recovery FFA Chapter had four students, Connor Gower, Clark Knapke, Kendra Metzger, and AJ Romer receive their American FFA Degree; the highest degree a member can receive. These four members make up a total of 117 members that have ever received the prestigious American FFA Degree in the history of the Fort Recovery FFA Chapter. Connor Gower is the son of Michael and Holly Gower, Clark is the son of Jim and Carol Knapke, Kendra is the daughter of Mark and Kim Metzger, and AJ is the son on Ted and Lisa Romer.

The weeklong trip was packed with convention sessions, educational tours, and good fun. Tours included the Cargill Premix and Nutrition Plant, Consolidated Grain and Barge, Kentucky Derby Museum, and Louisville Slugger Factory. Other places and attractions visited included Schimpff's Confectionery Candy, Not just Popcorn, and a rodeo.

The weeklong trip allowed students to return home with long lasting memories, experiences, and deep ties to agriculture.

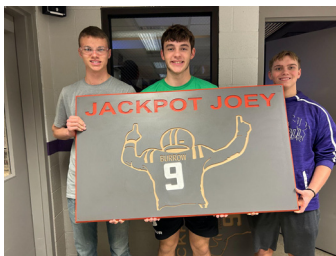

The Fort Recovery FFA Chapter would like to send a special thanks to the school board members, administration, and staff for allowing this trip to be possible.

Fort Recovery FFA Gingerbread House Night

Fort Recovery FFA Chapter held their annual Gingerbread House Night on December 13th. Many community members showed up for a fun, festive night to enjoy with their kids.

Four members received the American FFA Degree, the highest degree a member can receive. Members included Connor Gower, Clark Knapke, Kendra Metzger, and AJ Romer. Pictured here are AJ and Kendra.

The industrial tech classes have been busy learning about the CNC machine and programming a job to be cut on the CNC router. Great job students.

The FFA Food Science teams recently competed in the district contest and placed 3rd in the district. Members were evaluated on food safety, sanitation, triangle taste tests, aroma ID, nutrition labels, and more. Well done!

Scholastic Bowl Season Wrap Up

The FRHS Scholastic Bowl team had a good season. Members of this year's team included: seniors Isaac LeFevre and Paul Homan, sophomores Ben Reinhard, Ava Englehardt, and Caden Marchal, and freshmen Elisa Evers, Eli Hawk, and Jameson Heitkamp. At the end of the regular season, the Varsity team came in 4th place overall of the nine participating MAC schools. For the MAC tournament, which is sponsored by Mercer Savings Bank, Isaac LeFevre, Paul Homan, Ben Reinhard, and Elisa Evers represented the Varsity team. They placed 5th overall and brought home \$50 in prize winnings. The JV team was represented by Caden Marchal, Ben Reinhard, Elisa Evers, Eli Hawk, and Jameson Heitkamp in their respective tournament.

The team will travel to Wright State- Lake Campus on February 27 for one more tournament. They will also hold the 2nd annual Community Trivia Nite sometime in the spring to help raise funds for scholarships and to bring fun academic competition to businesses and families in the community.

Accepting the \$50 check for placing 5th in the MAC Varsity Scholastic Bowl tournament are: Elisa Evers, Paul Homan, and Isaac LeFevre. Mercer Savings Bank donates the prize money each year.

FROM THE PRINCIPAL'S DESK

Upcoming Middle School Events

Jan. 27 - Roller Skating Incentive for Grades 6th-8th
Feb. 6 - 3rd Quarter Interims
Feb. 17 - No School, Professional Development for teachers
Feb. 20 - Presidents Day, No School
Feb. 24 - Tribe Day
Feb. 26 - Band Concert
March 5 - Cabaret Concert
March 14 - Parent Teacher Conferences
March 16 - End of 3rd Quarter
March 17 - No School

The first semester of the school year has officially ended and the school year is halfway complete. It really is hard to believe how quickly this first half of the school year has passed us by. The students have been doing a great job working hard in school thus far. On Jan. 27th any middle school students who qualified for the first-semester incentive will be getting out of school for the day to go roller skating in Greenville. This is just a small token of our appreciation for their hard work throughout the semester. Congratulations to all of the students who qualified!

For the second-semester incentive students in grades 6th & 7th that qualify will be going to Scene 75 in Dayton. 8th graders who qualify will get a trip to King's Island! We hope to continue this in future years so 8th graders always have the opportunity to go to KI. All students started fresh on Jan. 9th with the start of a new semester, and it is our goal that over 80% of students from each grade still eligible at the end of the year.

The boys' and girls' basketball seasons are coming to a close soon as well. The teams have been hard at work all season long. I'd like to thank Rick Wellman, Danielle Pottkotter, Lindsey Lamm, Jordan Winner, and Justin Overman for coaching this year. The skills, knowledge, and teamwork qualities they have instilled in these young men and women will last a lifetime.

Please follow Fort Recovery Middle School on Facebook to see highlights of our students' work. These kids are doing AMAZING things, and our Facebook page is an excellent resource for recognizing these students' achievements.

Ryan Steinbrunner
FRMS Principal

Operation Christmas Child

Throughout October and November, the Fort Recovery Middle School Student Council completed a service project collecting items to put together Christmas shoeboxes for children all over the world. This year they were able to collect enough items and raise enough shipping money to send out 71 boxes. These boxes will be shipped to over 100 countries around the world to bring those less fortunate something bright to look forward to during the Christmas season. The FRMS student council would personally like to extend their appreciation out to all students, parents, and community members who helped make this possible. As always remember the power of a simple gift!

2nd ANNUAL BOOSTER BASH

PRESENTED BY

Come join for some fellowship, a few drinks, and to see what the Boosters have to offer!

Friday, January 20th

(following the HS Boys' Basketball Game against Marion Local)

Location: Miracle Lanes Bowling Alley

FROM THE PRINCIPAL'S DESK

Upcoming Dates for Fort Recovery Elementary:

January 19 - Book Club, 3:30 - 4:30
February 13 - Student Council, 3:30 - 4:30
February 17 - No School, Teacher Inservice
February 20 - No School
February 23 - Book Club, 3:30 - 4:30
February 26 - 5th Grade Band Concert @ 7:00
February 27 - March 3 - Celebration of Reading Week
March 3 - Breakfast with Books
March 3 - Kindergarten screening
March 13 - Preschool Registration @ 8:00 am
March 14 - Spring Parent Teacher conferences

Spring Testing Dates:

April 18 & 19 - English Language Arts State Testing (Grades 3 - 5)
April 25 & 26 - Science State Testing (Grade 5)
May 2 & 3 - Math State Testing (Grades 3 - 5)

We made it to 2023! As we roll into a new year, it's hard not to look back and be proud of what we have achieved. I, personally, am thankful for the hard work, dedication, and support from staff, students, families, and the Fort Recovery community! As we look ahead, the upcoming months will be busy and the days will go by quickly. To help keep families up to date, please look over the monthly newsletters, school websites and social media.

Looking ahead at the months to come, we have several events that are filling our calendars. Please check yours to be sure that you are up to date! Events will be shared through your child's classroom newsletter, the Elementary's monthly newsletter, and social media.

Reading Celebration Week will be held February 27 - March 3. Fort Recovery Elementary Student Council is working hard to plan many great events to promote reading throughout the week. The week will promote reading as an enjoyable activity and will focus on the theme of having a growth mindset. As the student council reveals the activities, guests, and many other surprises, information will be shared with students and families. The celebration week will conclude with Breakfast with Books at 7:30 - mark your calendars and grab a book! We will also hold another evening for Parent Teacher conferences, host a Kindergarten Grandparents' Day, and have a 1st grade performance.

As students stay busy with their normal classroom routine, and enjoy some of the activities that we have planned, it is also important to be mindful of student's health and well being. Please keep your child home if they have a fever, are ill, or have any of the other cold and flu symptoms. Adequate sleep and a well balanced diet are important for children to help fight off germs and illness. Children should be fever free for 24 hours (without medication) before returning to school. If your child will be absent, please be sure to call and notify the Elementary office before 8:30 each morning (you may leave a voicemail).

Every spring, students in grades 3 - 5 participate in State Testing. As these tests are just a snapshot of what each child can achieve, it is still important to have students try their best and be prepared. If possible, please try to avoid scheduling events that would cause your child to miss school. Encourage your child to give their best effort, be well rested, and keep a positive attitude!

Again, thank you for all you do to make Fort Recovery Elementary a great place for our children and community! We are truly blessed to have supportive parents, caring community members, and respectful students. Without your support, time, and energy so many events would not be possible.

Mrs. Kelli Thobe
thobeke@fortrecoveryschools.org

2023 - 2024 Kindergarten

Fort Recovery is working to prepare for the class of 2035! If you have a child who will turn 5 by August 1, 2023, you may be considering Kindergarten and how to register. Fort Recovery Elementary School will work with the Fort Recovery Preschool, Mercer County ESC Preschool, and Mercer County Head Start to determine children who are eligible and will then send home registration information. Students who are age-eligible for Kindergarten should have received a letter of intent from his/her preschool. If you did not receive one, please ask your child's preschool teacher or call the Fort Recovery Elementary office. If you have a child who plans to attend Kindergarten for the 2023-2024 school year who does not attend any of the preschools mentioned above, please call the Elementary office (419-375-2768) for registration information. For children not attending a preschool, we ask that you schedule an appointment for Kindergarten screening. We will hold Kindergarten screening on Friday, March 3.

2023 - 2024 Fort Recovery Preschool

Fort Recovery Preschool is looking ahead to the 2023-24 school year. Preschool for next year will be 4 days (Monday - Thursday) with a morning or afternoon option. Preference for preschool will be given to children who are age eligible for Kindergarten for the 2024-2025 school year (must be 5 on or before August 1, 2024). Registration for preschool will be online. There will not be an in person meeting for registration. The online registration will open on Monday, March 13 at 8:00am. The registration link will be on the Fort Recovery Preschool's website. A hyperlink will also be on the Elementary's Facebook page and webpage. The online registration will remain open until all available slots are filled, this will likely happen quickly so please do not wait to register! We strongly encourage parents to work on carpool arrangements prior to the registration to know if you need/prefer the morning or afternoon session.

Additional information for preschool will be shared closer to the registration date. Please monitor the preschool's webpage and Elementary's Facebook page for additional information.

Again, thank you for all you do to make Fort Recovery Elementary a great place for our children and community! We are truly blessed to have supportive parents, caring community members, and respectful students. Without your support, time, and energy so many events would not be possible.

School Spelling Bee

On December 1, 2022, twenty-five qualifying students in grades 4-8 at the elementary/middle school building participated in the school spelling bee. All students did a wonderful job and the staff is very proud of them and their performance. The top five finalists will represent Fort Recovery at the Mercer County Spelling Bee on February 27, 2023 at the Mercer County ESC.

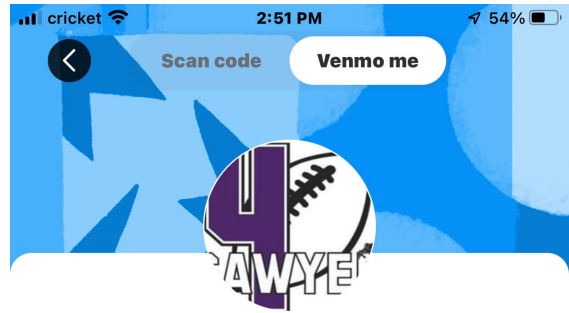

Sawyer Overman Memorial

The Elementary Student Council completes various service projects throughout the year. For the month of November, the group focused on “Cents for Sawyer” to help raise money for a community ninja park. The ninja park will be dedicated in memory of Sawyer Overman, who would have been a 3rd grader. The goal was to raise \$2,000 during our fundraising campaign. We surpassed that goal by collecting a total of \$ 8,452.90. WOW!! Congratulations! We are proud of all of you for donating to the memory of Sawyer. If you are a community member and would like to donate towards the community ninja park, you can write a check payable to “Sawyer Overman Memorial.” The mailing address is: Lisa and Shawn Overman, 358 Park Road, Fort Recovery, Ohio 45846. If you are tech savvy, you can also scan the QR code and Venmo your donation to the Sawyer Overman Memorial. Thank you so much for your generosity and support!

Strength & Speed Workouts

After school strength and speed workouts in the SAC will resume in January and run every Tuesday and Thursday for the rest of the school year. We will start at 3:30 and get done at 4:15 each night. These workouts are open to any students 6th grade and up. Contact Brent Niekamp if you have any questions.

Sawyer Overman Memorial
@sawyerovermanmemorial

Safe Routes to School Committee Meeting

The Fort Recovery School Community is invited to a public meeting in which the FR Safe Routes to School Committee will share a plan developed and designed to improve the safety of our students with physical improvements to our student walking and biking routes. The meeting will be held at the EMS Building in the Library/Media Center on Wednesday, February 1, 2023 starting at 6:00 p.m. This project is a cooperative effort between the Village of Fort Recovery and Fort Recovery Local Schools.

Athletics Updates

Pass Blast

NEW this year! Beginning April 17-28, we will have our first ever Pass Blast! All season passes for the 2023-24 school year will be drastically reduced.

- **Pass Blast Prices** Valid **ONLY** from April 17, 2023 Through and Including April 28, 2023
- No Season Pass Sales From April 29, 2023 to August 7, 2023
- Purchased Pass Blast Passes will be available for pickup starting on August 8, 2023
- Regular Season Pass Prices Effective August 8, 2023
- If you are purchasing an adult All-Sport or a boy basketball ticket, we will keep you in the same reserved seat unless you indicate otherwise. If you would like to pick new seats you will be able to do this when you pick up your tickets beginning August 8th.

This Pass Blast is a great opportunity for your family to save some money! Check it out!

Example:

65 year old Fort Recovery School District resident. Wants to get a senior citizen pass AND wants a reserved seat for boys basketball.

- **Pass Blast Price:** Senior Citizens pass - \$25 + Boys Basketball Ticket \$40 = \$65
- After August 8th - Senior Citizen pass - \$30 + Boys Basketball Ticket \$55 = \$85

Example

Family of 5 - Usually get (3) student all sport passes and (2) All Sport Adult.

- **Pass Blast Price:** (3) student All Sport - \$75 + (2) All Sport Adult - \$200 = \$275
- After August 8th - (3) Students \$150 + (2) Adult \$300 = \$450.00

Example

Normally, you buy your student a boys basketball and football season pass.

- **Pass Blast Price:** BBK \$20 + FB \$10 = \$30 OR Buy a student all sport pass for \$25 and get into all home sporting events for JH and HS for the 2023-24 year!!!
- After August 8th - BBK \$35 + FB \$15 = \$50

2023-2024 Season Pass and Pass Blast Prices

All Sports (HS/JH)	Adult	Student
Regular	\$150	\$50
Pass Blast Price	\$100	\$25
JH Pass (Fall/Winter)	Adult	Student
Regular	\$25	\$10
Pass Blast Price	\$20	\$5
Football	Adult	Student
Regular	\$25	\$15
Pass Blast Price	\$20	\$10
Boys' Basketball	Adult	Student
Regular	\$55	\$35
Pass Blast Price	\$40	\$20
Girls' Basketball	Adult	Student
Regular	\$55	\$35
Pass Blast Price	\$40	\$20
Senior Citizen (FR School District Resident)	65+	
Regular	\$30	
Pass Blast Price	\$25	

Student Attendance at Sporting Events

We are currently operating with no attendance limitations. We will continue to encourage and promote the attendance of the entire student body at Fort Recovery Local Schools. It is important to keep a safe and respectful environment for not only our home events but also when visiting other schools. Parents please review these guidelines with your children.

- During the singing and playing of our National Anthem respect should be shown. Students should remove their hats and stand respectfully facing the flag.
- Good Sportsmanship should be displayed at all times.
- School rules (including disciplinary consequences) apply at all after school events.

Important Athletic Dates

January 28th: Hall of Fame Night and Little Girls Cheerleading
February 10th: Pop Rocks at Boys Basketball Game Vs. New Knoxville
March 31st: Opening Day at the Battle Grounds (Varsity Baseball and Varsity Softball vs. Mississinawa Valley)

Senior Nights

Girls Basketball and Swim - Feb. 2nd at Girls Basketball Game vs. Minster
Boys Basketball and Cheerleaders - Feb. 17th at Boys Basketball Game vs. New Bremen

Fort Recovery High School Elects Inductees to the Athletic Hall of Fame

The Fort Recovery High School Athletic Hall of Fame will have two new members in its 2023 induction class. The induction ceremony will be held between the JV and Varsity Boys' Basketball games scheduled for Saturday, January 28, 2023. The two new inductees will join the 45 other individual inductees who have been selected since the Hall of Fame was established in 2007. One team has also been inducted. The 2023 inductees are Jennia (Jenkins) Knestrick and Joanna (Snyder) Hiatt.

Jennia (Jenkins) Knestrick is a 1990 graduate of Fort Recovery High School. She earned three varsity letters in volleyball and softball. During her freshman year in softball, she was chosen as Most Improved and during her senior year she was chosen as Most Valuable Player.

She also led the team in batting average during that senior season. Jennia excelled as a basketball player at FRHS. She was a 4 year letter winner. She ranks 19th in career scoring. As a senior, she was co-captain and helped lead the Lady Indians to the 1990 State Championship. She was voted Second Team All-MAC as a senior. She was also selected as a District 8 All-Star. After graduation from FRHS, Jennia continued her athletic career at the University of Findlay in both basketball and softball.

Joanna (Snyder) Hiatt is a 2009 graduate of FRHS. She earned a total of 10 varsity letters—3 in both volleyball and softball and 4 in basketball. As a volleyball player she was a co-captain and she was voted 2nd Team All-MAC during her

senior year. Joanna was selected First Team All-MAC as a senior in softball. During that senior season, she led the team in batting average, and she was selected as the team's Best Offensive Player. Joanna excelled on the basketball court at Fort Recovery High School. She ranks 12th in career scoring. She was First Team All-MAC during both her junior and senior seasons and was the MAC Co-Player of the Year as a senior. Joanna was also chosen as the Daily Standard Dream Team Player of the Year and was named to the First Team Lima News Scholar Athlete Team. She led the Indians in assists as a junior and senior, in rebounds during her junior year, and in free throw percentage and scoring as a senior. Joanna continued her athletic career at Ohio Northern University.
