

Local Scholarships & Grants

for the class of 2025

Updated 2-24-25

Guidelines:

- Applications are **available online** via the school website...
[High School > Guidance Homepage > Local Scholarship Applications \(right side\)](#)
 Be sure to download each application—don't simply "preview" or the formatting will be incorrect.
- The appearance of your application is important!** Proofread carefully before turning in, checking for misspelled words, complete sentences, etc. (FYI: *Spell check does not work in text boxes.*) Use black/blue ink (no pencil).
- Keep the 7-semester transcript** you are given so you make copies as needed. Use the 7-semester cumulative GPA & class rank on your transcript for all applications. The pink & yellow packets in your career portfolio should aid you with your applications.
- All applications are due in the Guidance Office by the due date (unless noted otherwise). **Late applications will not be accepted** unless school is cancelled on the due date. Don't wait—start NOW and submit early.
- Winners will be announced at graduation. *If you are lucky enough to receive a scholarship, **send a Thank You Note** to the organization or individual providing the scholarship.*
