3:30-7:00 pm

19 Tribe Day

27-29 Thanksgiving
Vacation – No School

December

2 Professional
Development Day-No
School

3 Second nine weeks
Interims

On October 11th, Fort Recovery Middle School embarked on a full day immersed in showing what it means to be part of a "Tribe". We all started together with a group lesson led by Mrs. Gerlach and Ms. Gann on beliefs around bullying and reporting. We followed up with some reminders about holding difficult conversations, signs of bullying, reporting, and what everyone can do to help to ensure everyone feels safe at school.

Following this, David McCreary delivered an inspiring message centered around 'Laughing Thru Life.' He had the crowd in awe and laughing along the way.

In the afternoon, our students had the opportunity to actively engage with two key incentive indicators: achieving All A's and B's in their academic pursuits and accruing Community Engagement Hours. Some students dedicated their time to enhancing their academic performance, while others seized the chance to volunteer at the VFW and American Legion. Their activities included raking leaves, tidying up, and contributing to the betterment of our cherished community.

Required Notification - General Monitoring of School-Issued Devices

In accordance with recent legislation in Ohio, please be aware that the school district, either directly or through a technology provider, is electing to generally monitor all school-issued devices as defined by R.C. 3319.325. The monitoring will include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The district generally monitors these features for the noncommercial education purpose of instruction, technical support, and/or exam proctoring. Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to threats to life or safety. These precautions are not necessarily new to our district as components have been part of our district policy and acceptable use guidelines for many years. However, recent legislation changes have required additional notification and more stringent measures to safeguard student privacy. The district will continue working to comply with these legislative changes while maintaining the safety and security of our students. Please contact your child's school if you have any questions or concerns. Thank you!

Homework Room

Students are invited to join us for our Homework Room sessions this year, where you can focus on completing your assignments and studying in a quiet and supportive environment. This is a great opportunity to get your homework done before heading home!

When: Thursdays (starting 10/31/24) 3:30pm - 4:30pm

Where: Study Hall Room

What to Bring:

- Your homework assignments or study materials
- Any books or resources you need
- A positive attitude to work and learn

Transportation: Please make sure you arrange transportation to pick you up promptly after the session ends.
