T.R.I.B.E

Here at Fort Recovery Local Schools, we strive for everyone to be better today than we were yesterday, and better tomorrow than we were today. As we embark on this journey together, let's embrace the T.R.I.B.E. approach to foster a supportive and nurturing environment for our children.

By **Taking on positive leadership**, we set an example for them to follow. **Rendering responsibility** helps them grow into accountable and self-reliant individuals. Through **Instilling respect, empathy, and compassion**, we teach them to value others and build strong relationships. **Boosting collaboration** encourages teamwork and the importance of working together toward common goals. Finally, **Engaging through inquiry and participation** ensures their voices are heard and their curiosity is nurtured, creating a vibrant community of learners. Together, we can make a lasting impact on their lives.

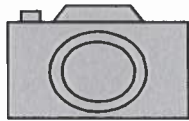

We had our first every Tribe Day on August 23rd. Tribe Day was jammed packed with skits, introduction of tribe groups and collaborative group exercises! We will be having two Tribe days each month. This year we will be using Characterstrong to help drive lessons for the students.
