

Local Resources

The Fort Recovery High School FBLA and Student Council sponsor this each year. Community members are able to provide names for local families who could use some extra help around the holidays. Request can be for food, clothing, toiletries, Christmas gifts, gas/gift cards, or just holiday cheer.

The Fort Recovery Public Library and the Fort Recovery Schools libraries all have mobile hotspots available for families to rent if affordable home internet isn't available .

Our Home Family Resource Center sponsors several programs throughout the year to help those in need.

Their Back to School program registration opens in July and school supplies are distributed on August 8th.

Mercer County Winter Warmth Program is a partnership with the Celina Kiwanis Club and Our Home. Together they collect and distribute around 500 winter coats each year.

The Mercer County Angel Tree Program works with churches, businesses, organizations and individuals in the area to provide gifts for children of income eligible families.
